## Chemical Equivalency Notice

As part of Dow Corning's integration into Dow Chemical, Dow Corning is rebranding some of its products names. This certificate is provided to assure the purchaser of the following product's quality and equivalency to the legacy brand product listed below for the purpose of use at the purchaser's location.

**XIAMETER™ PMX-200 Silicone Fluid 10 cSt**

is equivalent to:

**XIAMETER® PMX-0001 SILICONE FLUID 10CS**

**DOW CORNING® 200 FLUID  
10 CST.**

**DOW CORNING TORAY SH 200 FLUID 10 CS**

**XIAMETER® PMX-200 Silicone Fluid 10CS**

With regard to Dow Corning's rebranding activities, there are no changes to the manufacturing facilities, processes, test methods, or equipment used for the Dow Corning products at this time. In the event of any changes to the foregoing, Dow Corning will follow its standard change management and notification process.

Please refer to the product details pages on [www.dow.com](http://www.dow.com) for a general description of product characteristics and sales specifications.

We remind you that customers must determine the suitability of our products for the use in their applications and formulations. This information should not be used in substitution for customer tests to ensure that the products are safe, effective and fully satisfactory for the intended end-use.

If you have any questions, please contact us.

A handwritten signature in blue ink that reads "Mukund Parthasarathy".

**Mukund Parthasarathy**
